Request for Automatic Stay

[Redacted Signature Block]

Supersedas Block/Clerk's signature

I am requesting an automatic stay for the third time from this court based on the fact that I have loaned this court the [Birth Certificate] which is a Negotiable Instrument, in order that the trustee may cash out the appropriate amount of mutual funds in order to settle and discharge this account. Please remember to sign the Supersedas Block above to indicate my status. If there is a form I need to use in order to request my remedy in the form of the Automatic Stay, please send it to me in the self addressed stamped envelope I have provided. IF this letter will suffice, please send me a copy in the S.A.S.E.
